PROPOSAL

MANGUARD AND SYSTEMS SECURITY SERVICES

A PROPOSAL FOR MAN GUARD AND SYSTEMS SECURITY SERVICES

"If you reveal your secrets
to the wind, you should not
blame the wind for revealing
them to the trees."

Kahlil Gibran

We offer a holistic and complete integrated set of security services designed to meet the needs of a wide array of clients ranging from individuals, government parastatals and small business with private security needs to corporate organizations, manufacturing companies, public sector organizations, Hotels, Churches as well as Multinational corporations. We recruit, train and deploy security personnel in accordance with terms that are mutually agreed between us and our clients.

VISION

To be a world class security company reputed for professionalism and customer care.

MISSION

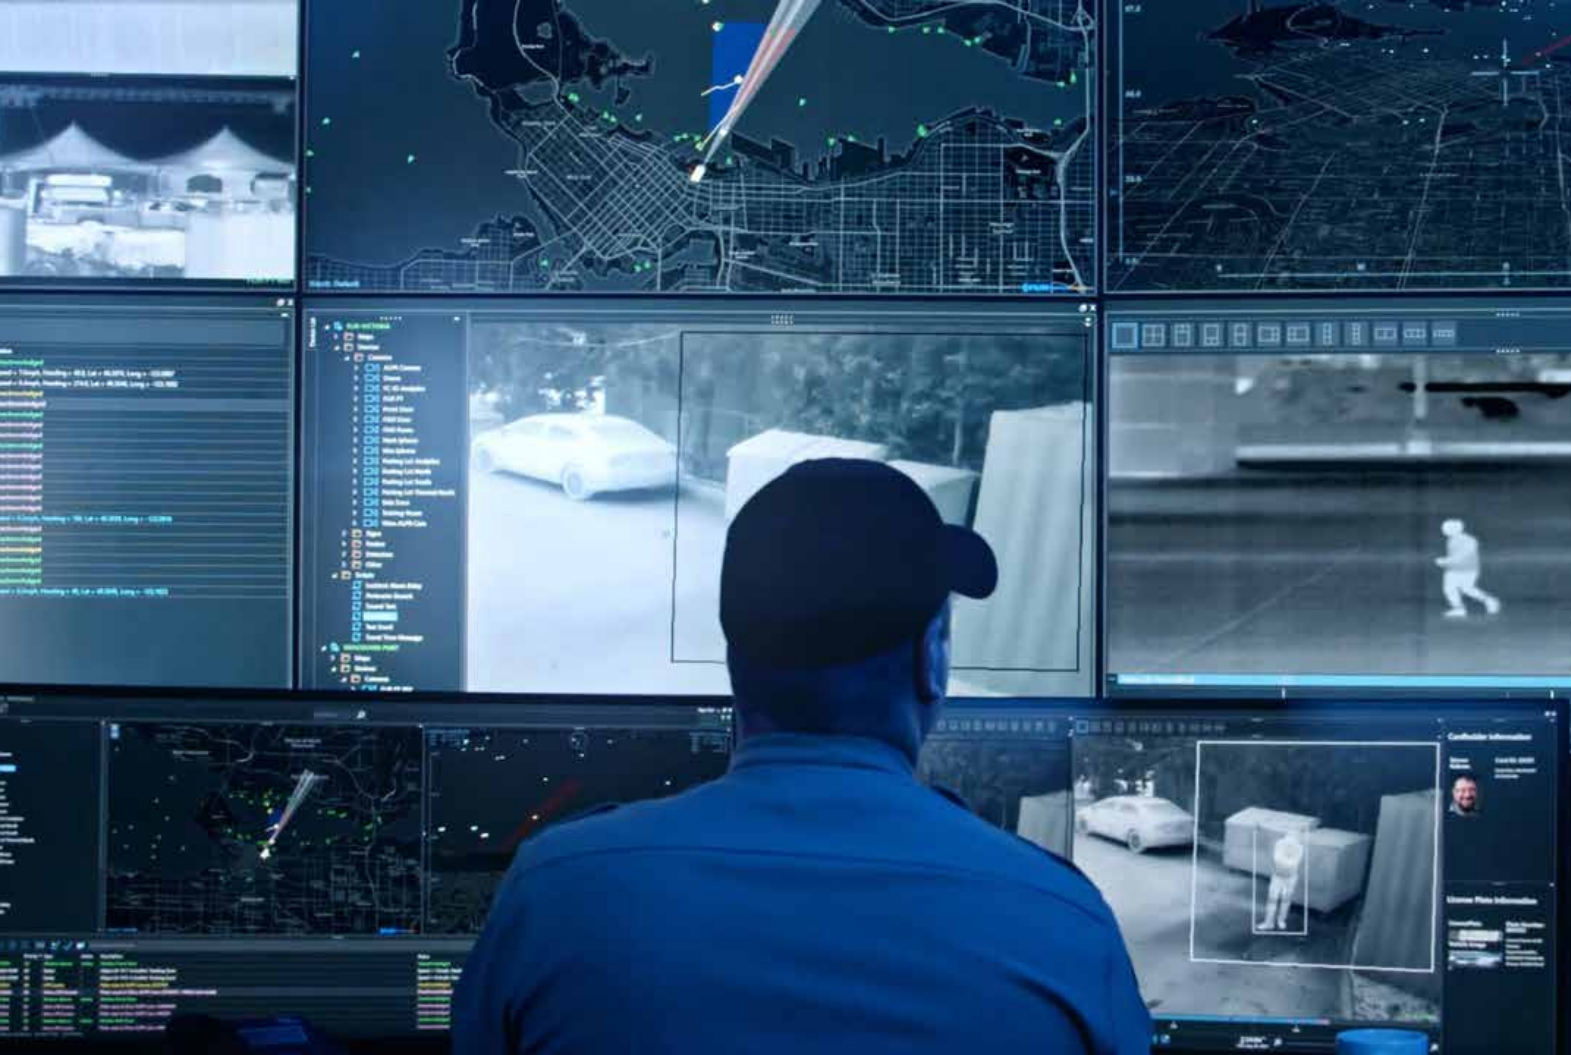

To offer excellent, efficient and effective security service in the most professional and ethical manner.

CORE VALUES

- Professionalism
- Integrity
- Respect for individual
- Superior Customer Care
- We Serve, God Protects

“Security and safety were the reward of dullness”. - Hanif Kureishi

“Security is always excessive until it's not enough. ”

- Robbie Sinclair

OVERVIEW

PPS is pleased to submit this proposal to serve you in the best way we can. We have a topnotch customer satisfaction system through the provision of the best of security services. Our values are simple, unchanging and essential to the way we do business. We know we must remain true to these principles to protect and promote the company's world class reputation. To this, ethics and value play a prominent role

in all our operations so as to make customer, employees, shareholders and other stake-holders feel confident about us. Ethics must be an integral part of our business and every action taken by our management and its employees must at all times

satisfy the highest ethical, moral and legal standard and consequently promote the company's reputation.

OBJECTIVES

1. We recruit distinct, experienced and qualified officers with adequate environment exposure from the immediate environment and geographical areas contiguous to you. These selected officers will be given initial security training and monthly in-house refresher courses.
2. We meet with the requirement of the contract and enhance task performance, provide the pertinent materials, equipment and support functions that this contract might require from time to time.
3. There will be skill-based training and retraining of our operatives and personal kits/ equipment which includes uniform, torchlight, whistles, raincoat, rain boot, pens etc. Effective reaction team with patrol vehicles.

OUR PROPOSAL

PPS has a well-deserved reputation for quality customer service. However, faced with changes in distribution systems, economic impacts to transportation and logistics, and limitations that prevent taking full advantage of improvements in technology.

We have developed solutions to help businesses stay ahead of customer satisfaction trends and proposed that we implement a logistics solution focused on management and automation of many manual steps in our delivery process. Our solution easily integrates with a wide range of solutions and can enable us to fully realize the benefits of improved productivity.

EXECUTION STRATEGY

Our execution strategy incorporates proven methodologies, extremely qualified personnel, and a highly responsive approach to managing our fleet of operatives. Following is a description of our project methods, including how the project will be developed. Our Management of this contract shall essentially be based on effective personnel recruitment and utilization, which has been developed into a Premium Secure tradition. This tradition entails a commitment to its workers that include humanized working conditions, long-term employment, long-range staff development, consensus decision – making and attention to human relations. This management program focuses on:

- Selection of veritable, trainable and fit individuals who have developed a high sense of responsibility and probity.
- Retention of good staff
- Quality, skills-based training and retraining
- Estate and decupling
- Reasonable welfare package and credible remuneration
- Performance recognition and
- Provision of adequate operational tools.

BUSINESS TYPES

Our niche is our unique human and material resources which we have harnessed into our corporate zeal to provide standardized Security Services tailored to meet specific major estates' need.

PPS offers to provide your business with the best and most experienced security professionals in order to assure your ultimate satisfaction. We have had experience in providing experience in most all venues, including:

SECURITY

A blue-tinted image of a clock face. The word "SECURITY" is written in large, bold, blue capital letters across the upper portion of the clock. A blue arrow points towards the word, and several white lines radiate from the center of the clock. The clock face is dark blue with white tick marks.
